Task 1

Overview: Studied the fundamentals of blockchain technology, including peer-to-peer networks, transactions, blocks, consensus mechanisms, and immutability.
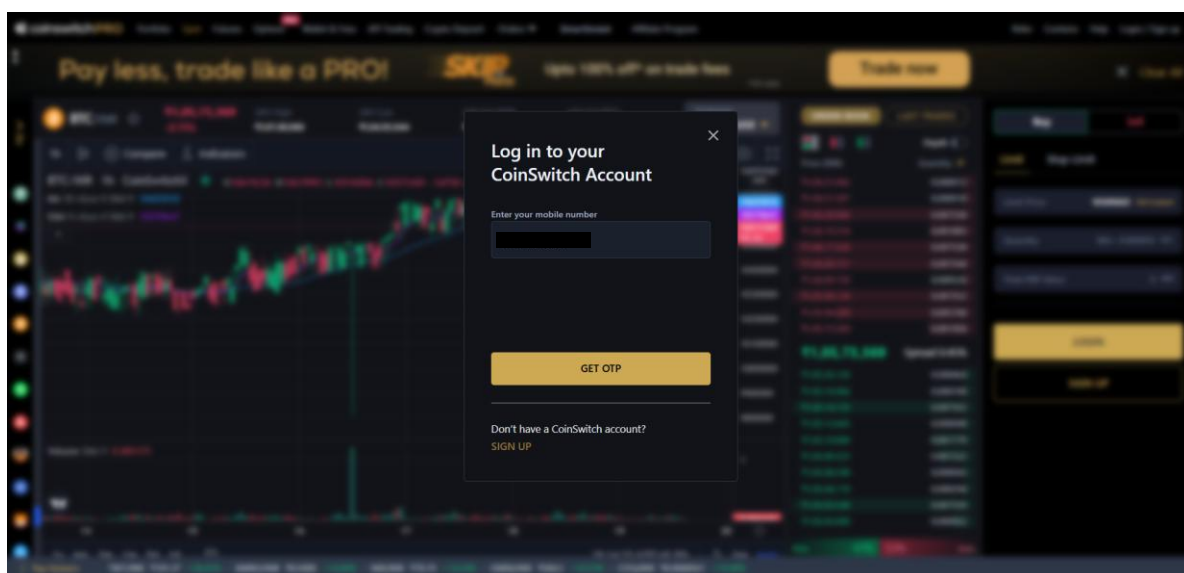

Created a cartoon-style infographic to illustrate each step of the blockchain process — from transaction request, to block creation, validation, and final confirmation.
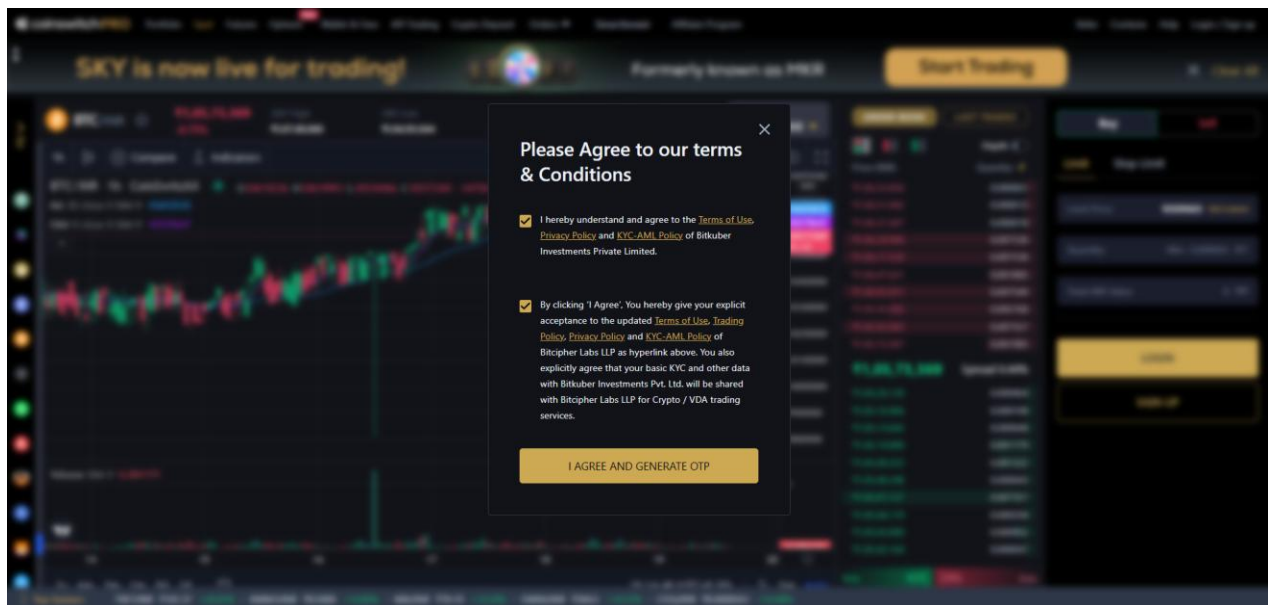

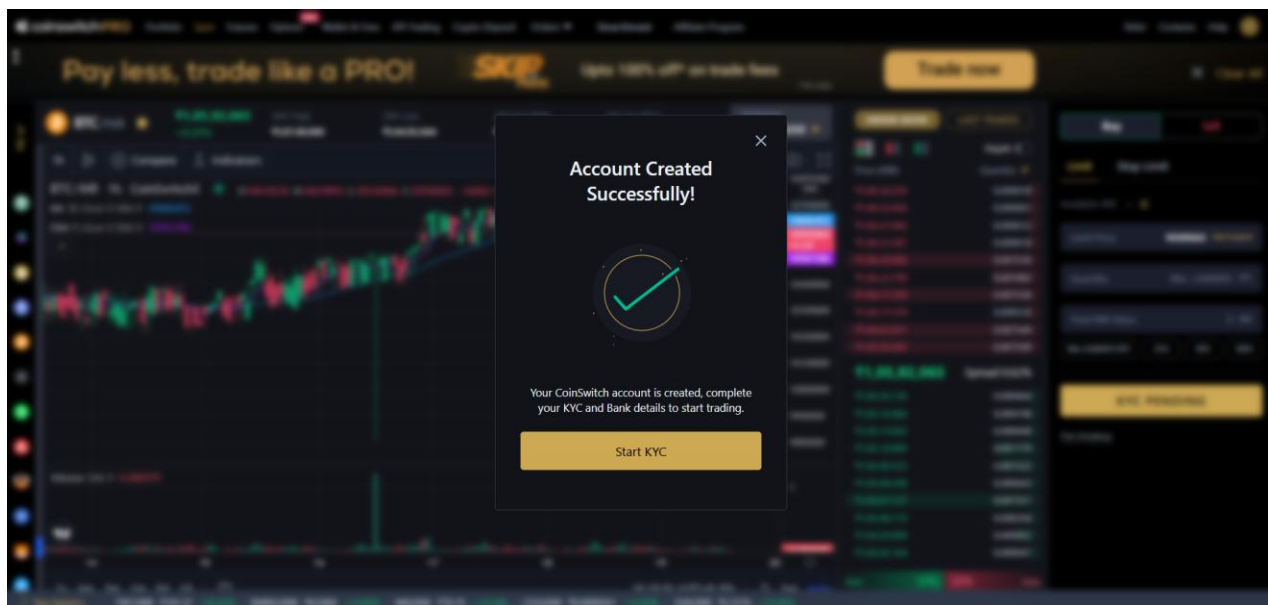

Steps:

1. Open coinswitchPRO website.

2. If you are visiting for the very first time, signup yourself with coinswitchPRO.
3. Login into CoinswitchPRO account.

4. Agree to terms and conditions of coinswitchPRO.

5. Successfully created account on coinswitchPRO.

6. Complete your KYC and start trading.

7. Explore wallets tab.
